Entry services

Free Consultation (20 minutes) Discuss your priorities, the compliance rules that apply to you (HIPAA, FTC Safeguards Rule), and the right next step.	\$0 No commitment
---	-----------------------------

External Exposure Check What an attacker sees from the internet: exposed services and ports, email domain security (SPF, DKIM, DMARC), website TLS, and leaked-credential check. Two-page report with quick fixes.	\$495 Delivered in 5 business days
--	--

HEALTHCARE

Dental & medical practices (HIPAA)

The HIPAA Security Rule requires a documented security risk analysis (45 C.F.R. § 164.308(a)(1)(ii)(A)). A signed Business Associate Agreement is included with every healthcare engagement.

HIPAA Security Risk Analysis — Essentials One location, up to 15 workstations. On-site walkthrough, asset and ePHI inventory, vulnerability scan, risk register with likelihood and impact ratings, remediation plan, and a one-hour results meeting.	\$2,500 One-time
---	----------------------------

HIPAA Security Risk Analysis — Plus Up to 3 locations or 40 workstations. Everything in Essentials, plus review of security policies and procedures and a follow-up check at 90 days.	\$3,900 One-time
---	----------------------------

HIPAA Compliance Program — First Year Risk analysis (Essentials), customized security policies, staff security awareness training, and quarterly check-ins for 12 months.	\$6,900 Or \$625/month over 12 months
---	---

ACCOUNTING & TAX

CPA & tax firms (FTC Safeguards Rule)

Tax professionals must maintain a written information security program (WISP), as outlined in IRS Publication 4557.

WISP Package

Up to 10 users. Risk assessment, written information security program tailored to your firm, Qualified Individual guidance, IRS Publication 4557 checklist, and an annual report template for the firm's owner.

\$1,950
One-time

WISP + Security Assessment

WISP Package plus vulnerability scan of your office network and cloud accounts, MFA and email security review, and prioritized fixes.

\$3,500
One-time

Annual WISP Update

Yearly review of your risk assessment and WISP, and an updated owner report.

\$950
Per year

AUTOMOTIVE

Auto dealerships (FTC Safeguards Rule)

Dealers that offer financing or leasing must run annual penetration tests and vulnerability assessments at least every six months.

Dealer Safeguards Assessment

Written risk assessment, WISP, and Qualified Individual guidance for one rooftop.

\$4,500
One-time

Dealer Compliance Bundle — Annual

Risk assessment and WISP, one annual external and internal penetration test, two semi-annual vulnerability assessments, and a compliance report for your file.

\$9,500
Per year · or \$850/month

SECURITY TESTING

Penetration testing

Controlled, authorized testing that shows how an attacker could get in, with evidence and fixes. One free retest within 60 days is included.

External Network Penetration Test

Up to 16 public IP addresses (firewall, VPN, remote access, internet-facing services).

\$3,500
From

Internal Network Penetration Test

One site, up to 50 devices. Simulates an attacker or infected computer inside your office.

\$5,500
From

Web Application Penetration Test

One application, up to 2 user roles, based on the OWASP Top 10.

\$4,500
From

Wi-Fi Security Assessment

One site: wireless encryption, guest network isolation, and rogue access points.

\$1,800
From

ONGOING PROTECTION

Monthly plans

Vulnerability Scanning

Quarterly external and internal scans with a short summary of new risks and fixes.

\$300
Per month

Security Advisor — Essentials (vCISO)

Monthly advisory call, policy upkeep, annual risk assessment update, and email or phone support for security questions.

\$1,200
Per month · 6-month minimum

Security Advisor — Plus (vCISO)

Everything in Essentials, plus quarterly vulnerability scanning, quarterly phishing simulation, and vendor security reviews.

\$2,500
Per month · 6-month minimum

Security Awareness Training

Online training and phishing simulations for your staff, with completion reports for your compliance file.

\$35
Per user per year · min. \$350

Security event monitoring platform currently in development. Pilot participants help shape the product.

On request
Pilot program

AS NEEDED

Hourly services

Security Consulting

Questions, vendor reviews, policy writing, or technical help outside a package.

\$150
Per hour · 1-hour minimum

Incident Response Support

Help to contain, investigate, and document a suspected security incident.

\$225
Per hour · priority response

TERMS

How billing works

- **Payment:** 50% deposit to schedule the work, 50% on delivery of the report. Monthly plans are billed at the start of each month. Invoices are due within 15 days.
- **Travel:** on-site visits within 50 miles of Carol Stream, Illinois are included. Beyond that, travel is quoted in advance.
- **Bundles:** 10% off when you combine two or more one-time services in the same quote.
- **Confidentiality:** every engagement is covered by a confidentiality agreement, plus a Business Associate Agreement for healthcare clients.
- **Public entities:** CYBERISK LLC is a registered vendor on the Illinois Procurement Gateway (IPG). Public-sector pricing follows the applicable procurement rules.
- **Validity:** prices valid through December 31, 2026. Final price is set in your written quote after the free consultation.
